WEIGHT LIMIT There are more HGVs back on the A366, some causing damage in Norton St Philip, since the weight limit warning signs were inexplicably removed from the A36. We are pushing Somerset Highways and/or the Highway Authority (who are responsible for the A36 trunk road) to get these signs put back. In the meantime, please report the numbers of any offending lorry to our Police Community Support Officer, Darren Golay. His email is darren.golay@avonandsomerset.police.uk

PLANNING The Parish Council made the following recommendations to Mendip District Council at its June meeting:

RINGWELL LANE Somerset Highways recently resurfaced Chevers Lane and part of The Barton, but left Ringwell Lane, where there is a broken culvert. They will now investigate what needs to be done to repair it before the road is resurfaced in the next few months
